

# SLIPPERY ROCK SHARES

SRU Federal Credit Union's Newsletter

Dear Members,

The Board of Directors and I are pleased to share with you some exciting news! In early January we purchased about two acres of land adjacent to Route 108 and Arrowhead Drive in Slippery Rock which will be the future site of the new SRU Federal Credit Union main office. This purchase is the culmination of several years of research and discussion. We look forward to continuing our commitment to superior service in a location that will provide much-needed space for our quickly-expanding operations and that will also be conveniently accessible for all of our members.

The Board's commitment to growth while maintaining the financial strength of the credit union has made this expansion possible. Loan growth at the credit union has been at a historical high for the past three years as a result of the creation of a dedicated loan department that offers both consumer and real estate loans. Additionally, many no or low-cost service offerings continue to make credit union membership a preferred banking alternative, and we fully expect our membership levels to continue to increase.

We remain dedicated to providing the Slippery Rock community with the best financial services products, and we will continue to strive for member service excellence regardless of location. Construction is in the very early planning stages, and I look forward to sharing more details about this exciting development as they become available.
