

March 19, 2020

Dear Members,

The credit union will transition to “Distance Banking” beginning Friday, March 20th. Our drive-thru will be open during all of our regularly scheduled hours including Saturdays. We are also available via telephone, and lobby services may be arranged by appointment. You can contact us toll-free at 1-800-230-9725.

Our loan department is available to assist you with any borrowing needs during this time. We will continue to accept loan applications, provide timely decisions, and arrange for you to get the loan you need.

Your funds are accessible, safe, and remain federally insured by the NCUA. All of our services including debit cards, credit cards, ATM, Online Banking, Mobile Deposit, Bill Pay, and P2P Transfers will continue to operate as normal.

We appreciate your understanding as we do our part to ensure the safety of both you and our staff, and we encourage you to contact us if you are experiencing any financial difficulties so that we can help you to find a solution. We are “People Helping People”, and we will continue to be exactly that in the face of this unprecedented situation.

Sincerely,

Lynne Griffith
CEO
